

Be a part of the 2026-27 Mooreville High School Athletic Boosters and have a direct impact on the student-athletes of MHS and our community.

MHS Athletic Boosters provide funding for various projects throughout the year, including:

- Equipment and supplies for our athletes and coaches
- Supporting the Hall of Fame Banquet
- Scholarships for graduating Seniors
- Directly supporting professional development and clinic attendance for coaches

The fee associated with your membership is just the beginning to make all the above possible. Booster members have the opportunity to connect with the larger athletic community by helping with fundraising and concessions that support all sports at MHS.

Booster Membership: \$50 minimum donation
